Name: _____

Date: _____

GPM Core Observatory Activity Page

Use the "What in a Satellite?" information sheet to help you with the activities below.

Label the parts of the satellite using the word bank:

(Note: the propulsion module isn't included because it's not visible on this diagram)

- Avionics/Star Trackers
- Solar Panel (2)
- High Gain Data-Relay Antenna (HGA)
- GPM Microwave Imager (GMI)
- Dual-frequency Precipitation Radar (DPR)

Match the part of the satellite with its function using the word bank:

power	type of precipitation
navigation	3-D information about particles
communication	movement

1. High Gain Data-Relay Antenna (HGA) _____
2. Avionics/Star Trackers _____
3. Solar Panels _____
4. GPM Microwave Imager (GMI) _____
5. Dual-frequency Precipitation Radar (DPR) _____
6. Propulsion Module / Reaction Wheels _____

developed by the

Global Precipitation Measurement Mission
